

MOHAMED YASAR ARAFATH K M

DEVELOPER INTERN

+91 7448841349

yasararafathpers@gmail.com

Velachery, Chennai

Summary

A highly motivated and technically proficient developer with hands-on experience in PHP, MySQL, jQuery, Bootstrap. I have a strong background in developing web-based applications, including a comprehensive Bookshop Management System, and a proven ability to quickly learn and adapt to new technologies. Proficient in Python and C, React JS, Angular JS and Node JS. Seeking an internship position leverage my skills in software development and cybersecurity, and to contribute effectively while gaining practical experience.

Projects

- **Student Management System**
 - React.js, Node.js, Express.js, Bootstrap, MongoDB
 - Developed a web-based application for adding and listing student details with a user-friendly UI.
- **Bookshop Management System**
 - PHP, MySQL, jQuery, Bootstrap
 - Developed a comprehensive bookshop management system as a UG project. Implemented features for managing inventory, sales, and customer data.
